Section 1

Introduction

Darcy Willson-Rymer, CEO

Strong performance in HY24

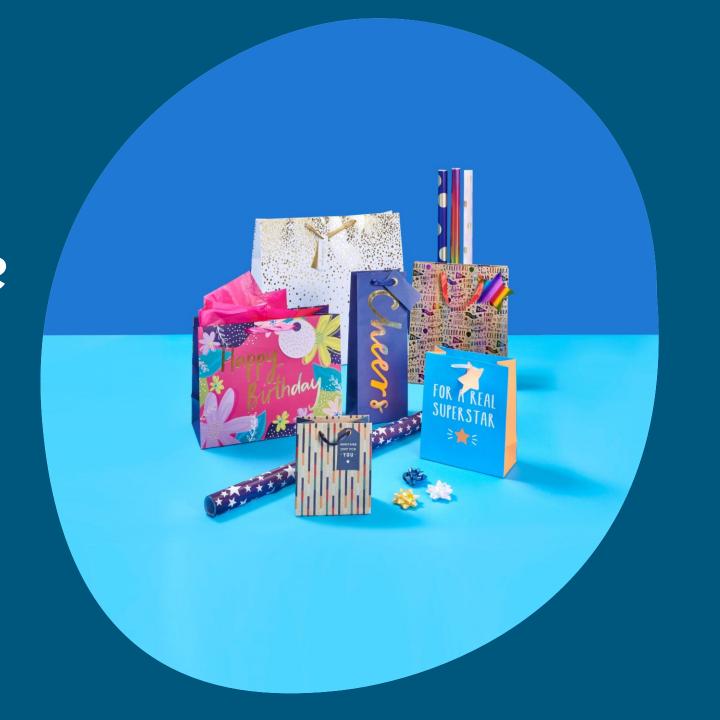

- Continued progress in delivering across strategic building blocks of growth.
- Good momentum across the business driving revenue growth.
- Strong store sales growth of +10.5% LFL due to resonance of value and quality proposition, and store range and layout developments, as well as the annualisation of targeted price increases.
- Growing importance of gifts and celebration essentials reflected in the first half of the year with LFL revenue growth of +13.1%, building on greeting cards revenue growth +7.7% LFL in HY24.
- Continued strengthening of balance sheet with reduction in net debt.

Section 2

Financial Performance

Matthias Seeger, CFO

HY24 financial highlights

Double-digit sales growth in core business

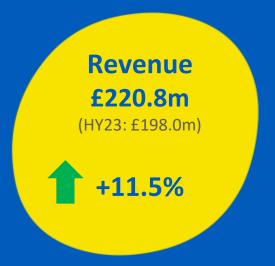

Adjusted PBT doubled, driven by sales growth and enhanced margins

Strong cash generation enabled investment for future growth

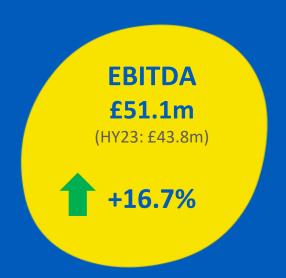

Significant net debt reduction strengthened balance sheet

Strong financial performance in HY24

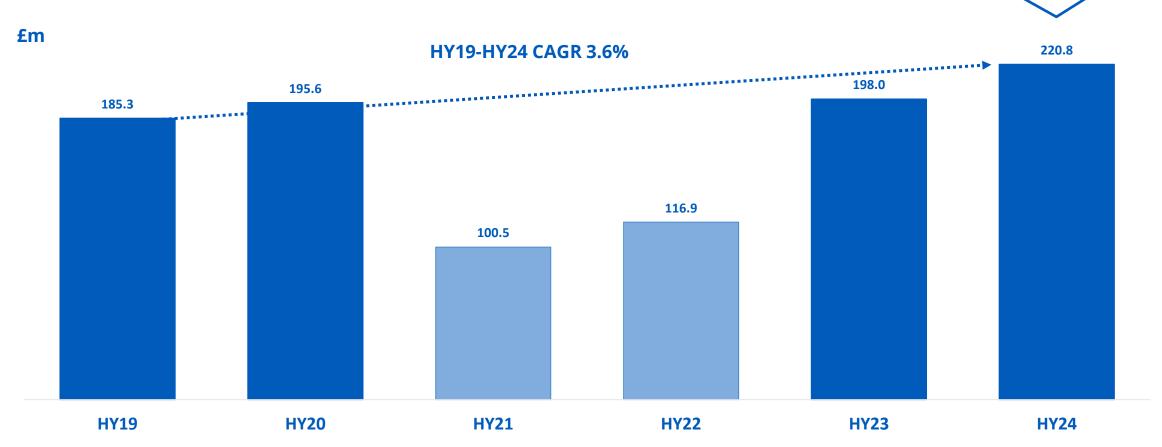

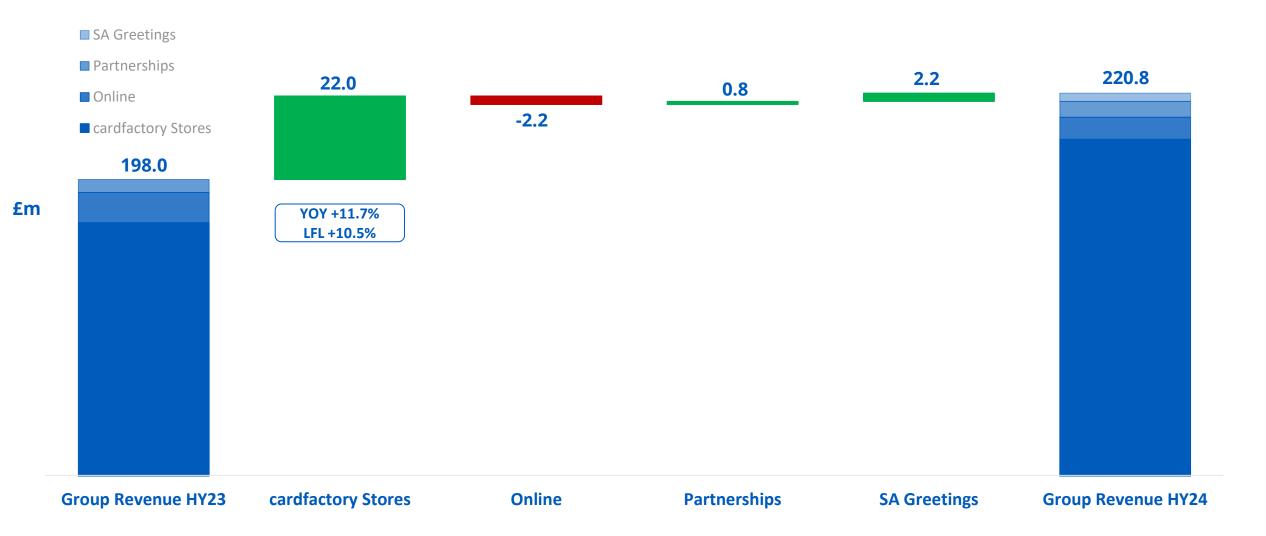

Track record of continuous growth

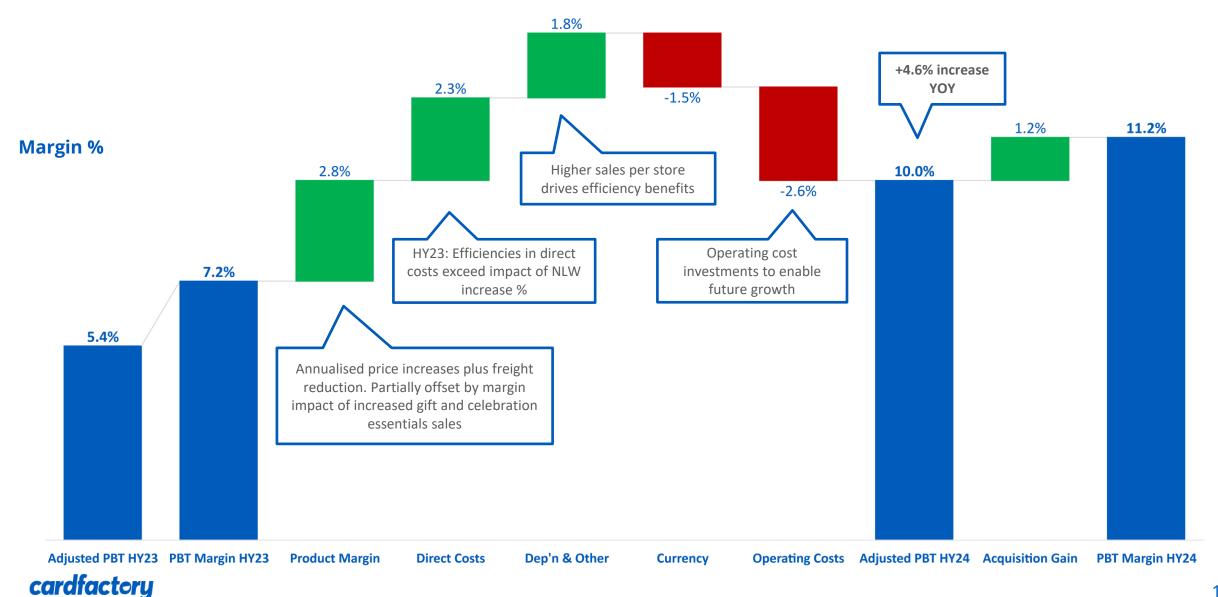

Double-digit top line growth from strong store LFL sales

Margin enhancement in a challenging economic environment

Significant PBT growth vs HY23

	HY24	HY23	Change
Revenue	£220.8m	£198.0m	£22.8m
Product Margin	£155.2m	£136.4m	£18.8m
Product Margin %	70.3%	68.9%	1.4 ppts
Gross Profit	£81.3m	£65.8m	£15.5m
Gross Margin %	36.8%	33.2%	3.6 ppts
EBITDA	£51.1m	£43.8m	£7.3m
EBITDA Margin %	23.1%	22.1%	1.0 ppts

Adjusted PBT Margin %	10.0%	5.4%	4.6ppts
Adjusted EPS	5.0 pence	2.5 pence	2.5 pence

- Product margins enhanced 1.4 ppts; annualisation of FY23 price increases and reductions in international freight costs, partial offset from impact of higher noncard sales and currency.
- Gross margin improved by further 2.2 ppts driven by operational efficiencies, savings in direct labour and energy more than offset wage increases.
- EBITDA margin improved by 1.0 ppts as we invested 2.1 ppts into developing capability and capacity to enable future growth plus added 0.5 ppts in operational costs for SA Greetings.
- PBT margin improved by further 1.8 ppts due to lower store rents and lower debt levels.

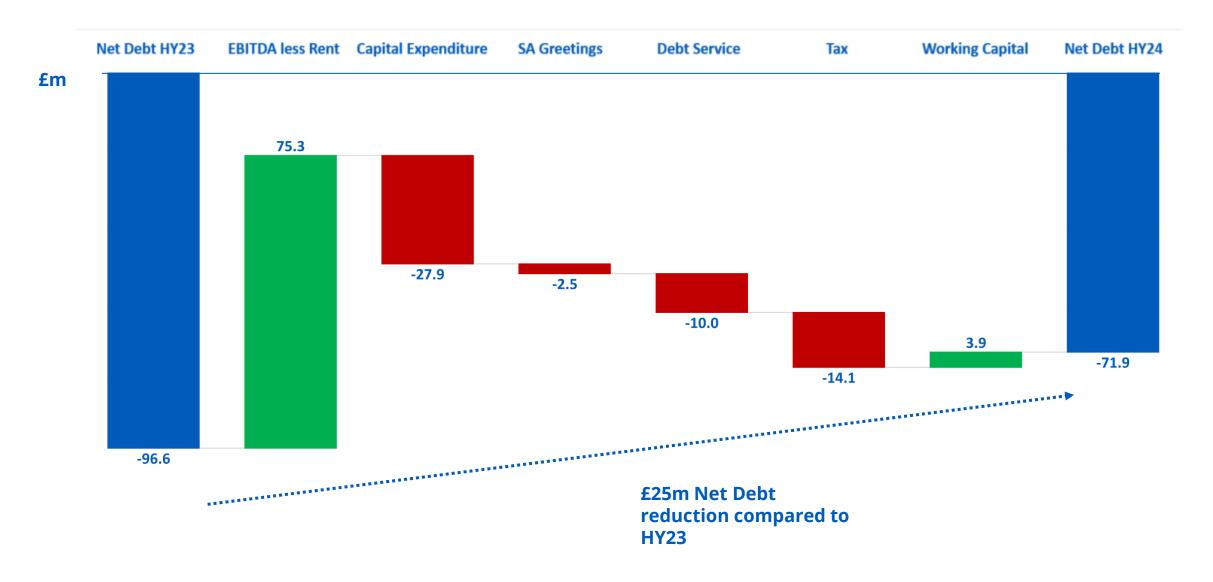

Strong operating cash generation with investments in future growth

Operating Cash Conversion	71%	45%	22%

- Significantly improved year-on-year cash generation.
- Strong, normalised operating cash performance:
 - Deferred rent payments cleared in prior year;
 - Normalisation of working capital postpandemic (net outflow as expected in first half and lower than prior year);
 - Recommencement of corporation tax payments.
- Investment for future growth: £15 million capital expenditure in infrastructure and growth projects, plus £2.5m acquisition of SA Greetings.

Strengthening balance sheet: Deleveraging and reducing net debt

Delivering shareholder value through strong performance

- A strong set of financial results underpinned by strength in our operations and +10.5% Stores LFL sales.
- Significant growth in PBT whilst investing to enable future growth.
- Strong operating cash flows creating capacity to invest for growth and reduction in net debt.
- Delivering against the strategic plan and on trajectory to achieve the FY27 sales target of £650 million and PBT margin of 14%, as set out at the Capital Market Strategy Update in May.
- Restrictions on dividends continue to apply until Term Loan 'A' fully repaid (January 2024) which is the first point at which the Board will consider dividend payments.

Positive progress on strategic initiatives: Stores

- Continue to develop our Store portfolio.
 - 1,043 Stores across the UK and Republic of Ireland as of July 31.
 - 11 net new Stores in HY24.
- Successfully commenced rollout of Store Evolution Programme:
 - Capex light space realignment completed in over 700 stores with programme to be completed in 750 stores.
 - Display reorganisation progressing well and now complete in 24 stores.
 - Updated store design applied to new Stores and select number of existing Stores in line with current refit costs.
- Introduced new customer service excellence programme for all Store colleagues.

Positive progress on strategic initiatives: Cards and Gifts

Leadership in Cards:

- Ongoing insight-led innovation and range development continues to deliver greeting card revenue growth of +7.7% LFL in HY24.
- Balanced price increases with maintaining value for money credentials through low entry price points and rotating promotional offers.

Gifts and Celebration Essentials:

- Strong LFL growth in gifts and celebration essentials of +13.1%.
- Growth reflects strategic developments and new ranges introduced in the first half which included:
 - Stationery: +68.5% LFL following the range refresh.
 - Soft toys: +34.5% LFL including the introduction of Blue Nose Friends and Tatty Teddy ranges.
- +9.0% LFL growth in confectionery with the expansion of branded offering.

Positive progress on strategic initiatives: Omnichannel and Online

Omnichannel rollout:

- Nationwide UK rollout of Click & Collect completed on 23rd April 2023.
- Early indications that our omnichannel proposition is contributing to store revenue growth:
 - 9% of Click & Collect customers making additional purchases when collecting their orders in-store.
 - Basket spend of these customers is typically 25% higher than our average in-store basket spend.

Online development:

- Continue to invest in our Online platforms and customer experience as part of our omnichannel ambition.
- Work underway to clarify cardfactory Online proposition and develop future Online marketing strategy.

Positive progress on strategic initiatives: Partnerships

International openings:

- New long-term master franchisee agreement signed with Middle East based Liwa Trading Enterprises in April 2023.
- First four franchise Stores opened in Abu Dhabi and Dubai with plans to open around 36 Stores in total over the next five years.
- Continue to progress conversations with prospective partners across our seven markets of interest.

Matalan roll out:

- Agreed new long-term partnership with Matalan in the UK.
- Partnership will see cardfactory cards and celebration essentials available across their entire UK estate of 223 Stores.
- First phase of rollout to 22 Stores completed and second phase underway.

SA Greetings acquisition:

 Completed the acquisition of South African-based SA Greetings in April 2023, supporting our partnership strategy in the region.

Delivering a Sustainable Future: Our new five-year ESG strategy

Climate

We will play our part in tackling the climate crisis, achieving Net Zero and adapting our business to a changing climate

Publish net zero goals in FY25

Work with our suppliers to align them to our Net Zero goals and reduce emissions

Build resilience to climate change into our operations and supply chain

Waste and circularity

We will start our journey to become a circular business by redesigning products and packaging, using less materials, and finding ways to increase recycling, recovery and re-use of our products

Minimise waste across all operations

Increase recycling and recyclability across operations, products and packaging

Redesign our products and packaging to use less materials

Address gift and celebration product end-of-life, exploring opportunities for re-use or recycling

Protecting nature

We will operate in a way that reduces harm and helps to restore our natural environment

Explore further opportunities to protect nature and biodiversity in all of the countries in which we operate

Reduce our use of scarce natural resources (such as helium and water) across operations and supply chain

People and equity

We will actively champion the wellbeing and ability to thrive of everyone within our business, our supply chain, and our communities

Celebrate difference, ensuring equity of opportunity and reward for all colleagues

Deliver an excellent colleague support programme

Nurture our communities and ensure we deliver meaningful impact

Make sharing and celebrating life's moments accessible for everyone

Governance

We will operate with transparency, integrity and with sustainability ingrained in everything we do

Do the right thing, ensuring our sustainability commitments are reflected across all operations and decision making

Increase transparency of supply chain activity to ensure people and environmental performance align with sustainability commitments
